

Our objective is to identify unexploited product opportunities in the Mediterranean region with substantial growth potential.

Avant Consumer will leverage its credible global network to accelerate the expansion and success of quality local brands mainly to USA and Europe forming partnerships with distributors and buyers.

Our focus is on wholesome and organic foods, beverages, health & beauty products.

Target Market Observations

Past years have recorded a significant shift in the market towards healthier products

Innovative products focusing on the health conscious consumer have increased in value

Target Market Observations

Compact grocery
and food specialty stores
are on the rise

Imports to the US from the EU have almost doubled over the past 12 years

The Mediterranean region provides 35% of EU food exports

What we offer to US/International Distributors

Access to high quality Greek and Mediterranean products.

Single point of contact for a large variety of products instead of dealing with multiple suppliers.

Insight into the Greek market, in depth knowledge of local logistics and EU food legislation.

Monitoring the export deal up to delivery of product and intervening where needed.

Marketing solutions and design services for private label products.

Avant Consumer

Builds upon credible relationships with reliable and innovative producers.

Provides access to retail markets and wholesale channels in the US.

Collaborates with world leaders of the food industry and distribution.

Offers consulting on product development, branding and marketing services.

Global network support

We are more than just brokers.

We bring together companies to accelerate business through partnerships, utilising our global network to expand and create growth in new and unexplored avenues.
